Re: 2021-186-S - Application of Condor Environmental, Incorporated Requesting  
Approval of a Reduction in Rates Charged to the Country Place Homeowners' Association and  
the Fairview Chase Homeowners' Association

Dear Ms. Boyd:

I am requesting an extension until July 14, 2021, to provide the notice required by the Commission's Directive of June 23, 2021, in the above-referenced docket. Condor's President, Jason Weaver, and Vice-President, Brad Weaver, will be out of town until July 4, 2021. Jason and Brad Weaver run Condor's office and it would be exceedingly difficult for the Company to provide the required notices without them. The request would not prejudice Condor's customers in Country Place and Fairview Chase, whose rates and right to object would not be affected if the request is granted (while Condor's customers are the respective homeowners' associations of the two subdivisions, consistent with the spirit of the Commission's order, Condor intends to mail a notice to each homeowner receiving service).

With best wishes, I am,

Sincerely yours,

*s/ Charlie Terreni*
